

Unlimited fleet tracking possibilities

Nationwide is pleased to introduce you to Razor Tracking, which offers a program to help increase the safety of your fleet drivers and decrease the cost of your business operations with real-time telematics data and reporting. Through Razor Tracking's in-depth data and reporting, farm and fleet managers will become more efficient, reduce speeding, receive real-time alerts, and view your entire fleet on one screen.

The Razor Tracking difference

- Improve operational safety and efficiency
- Real-time fleet tracking
- On Demand asset trackers
- Dash cameras including AI cameras
- Learn more about real-time telematics at the [Razor Tracking website](#)

Nationwide helps you save

Nationwide has partnered with Razor Tracking to deliver savings to our customers for real-time telematics for fleet management and operations.
